

A world with
less cancer
is a world with more
birthdays.

THE OFFICIAL SPONSOR OF BIRTHDAYS.®

DEAR JOE,

When you do the kind of work we do, you realize how special a birthday can be: a celebration of life, a marker of progress. Thank you for helping us work tirelessly toward our mission of saving lives - *for helping everyone celebrate more birthdays.*

Thank you for your participation in the recent Nationwide Gift Planning Advisor Council meeting in Atlanta.

As always, we had a very energetic and productive meeting. We look forward to the next meeting via conference call in March.

It was so nice to see you during our recent meeting and to visit over dinner.

Warmest regards -
